STRAPS MEET WSTDA T-1 PUBLISHED STANDARDS

VERSATILE

Available in 27- and 30-inch lengths with flat & wire hook models in both standard & X-TREME webbing.

SIMPLE

Proper storage of excess webbings helps avoid CSA cargo securement related violations.

CUSTOMIZABLE

The buckle is 2" wide - handle ratchet buckle with the patented web keeper. Custom lengths and other hardware available upon request.

No tangles or dragging during transport.
